1 Q. Okay. And I understand that you were
2 being paid \$70 an hour by ATA; is that correct?

3 A. Yes.

4 Q. Outside of that \$70 that you are being
5 paid by ATA, are you seeking any other
6 compensation for your work on Mr. Parker's case?

7 A. No.

8 Q. To date, how much time have you spent
9 working on Mr. Parker's claim?

10 A. I apologize. I couldn't hear you.

11 Q. To date, how much time have you spent
12 working on Mr. Parker's claim?

13 A. Maybe three hours, three-and-a-half
14 hours, something like that.

15 Q. All right. And that three-and-a-half
16 hours, what all tasks were you doing on his
17 behalf?

18 A. Reviewing the documentation, reviewing
19 the photos, the estimate that ATA wrote, the
20 estimate from the insurance company, the
21 documentation from the roofer that you all got the
22 roofer's opinion, I guess, and then also, the
23 engineer's report. So reviewing those documents
24 and the photos in those, and ATA's estimate and
25 their photos.

1 Q. I just want to make sure I get a complete
2 idea of what all you have reviewed. I have the
3 roofer's report that was done by Andy Woodard, the
4 engineering report by Mark Watson, the State Farm
5 estimate, the ATA estimate and the ATA photos.
6 Was there anything else that you reviewed that I
7 missed there?

8 A. Let's see. The policy, the Hover report.
9 I believe that's it.

10 Q. Okay. And you did review the policy that
11 was issued by State Farm to Mr. Parker?

12 A. Quickly, yes. Also, notes, reviewed some
13 of the notes as to -- as to who inspected the
14 loss.

15 Q. When you say the notes, you are talking
16 about notes in State Farm's claim file?

17 A. No. The -- in ATA's notes, basically, or
18 looking at the notes to see who went out and
19 inspected the loss.

20 Q. And what notes are those?

21 A. They're just -- they're notes in ATA's
22 system. They're documentation notes of, like,
23 phone calls of speaking -- you know, setting up an
24 appointment with the insured, very generic type
25 notes.
